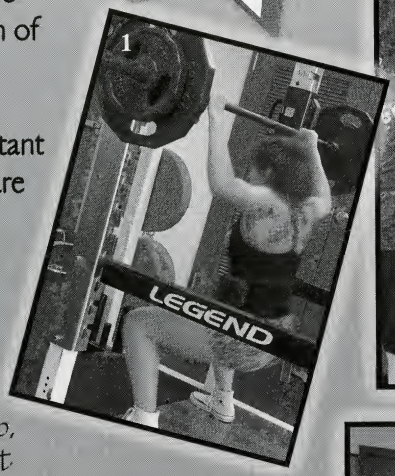
DON'T HIDE IT!

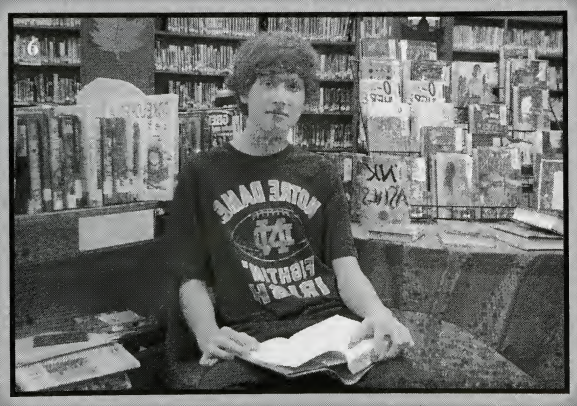
Let Your Talents Shine

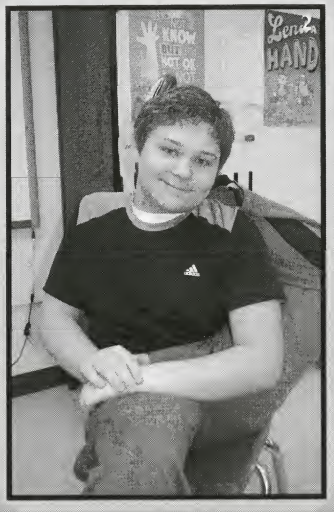
What's something about you that most people don't know? Maybe you can bake a mean batch of cinnamon rolls or you have a lot of random collections.

Whatever your talents or gifts are, it is important to seek them out. Cultivate them. And then share them with others.



(1,2,5) **Marlee Coleman, Austin Salyer,** and **Gunner Edmonds,** power-lifting champions, work hard in the weight room. (3) The multitalented **Katie Stiles** can play three instrumentsthe piano, saxophone, and bassoon. (4) She may be young, but that doesn't stop **Katie Taylor** from having fun while driving her tractor through the neighborhood. (6) **Thomas Ratliff** wins the Bookworm Award!! He's read 147 books since seventh grade. (7) Boy or contortionist? **Haseeb Ahmad** brings his arms from the back to the front over his head and never lets go.





(1) There's a new Karate Kid in town. Fifth grader **Blake Justice** works his way towards a blackbelt with his awesome karate moves! (2) **Kameron Casebolt** can move in ways that don't seem human! He can sit with his leg behind his head... he must be extremely flexible. (3) Singing "Down by the Board Walk," **Tess Lakin** entertains the audience during a recital at the MAC..

(4) Winter Storm Jonas clobbered Pikeville in January, dumping several feet of snow throughout the area. **Ella Grace Lockhart** helped her dad with the snow cleanup. (5) **Mikayla Cole** serenades her class with Taylor Swift's "You Belong With Me." (6) The next motocross champion? Seventh grader **Blake Justice** goes to the hills every chance he gets. Figuring It Out

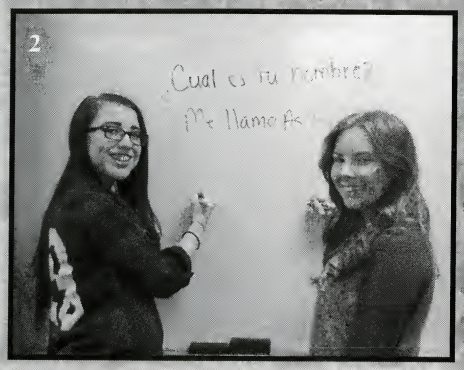
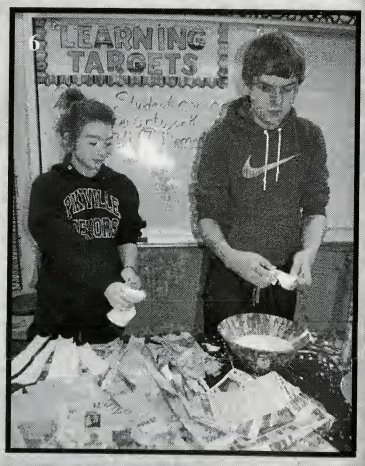
We all have a way in which we learn best. Odds are, every student has a different preferred learning style.

By incorporating different methods in the classroom, students will be more successful and then, at the end of the day, leave feeling challenged and inspired.





(1) Students in Mrs. Salyer's third grade classroom learn how to work together by building towers out of toothpicks and marshmallows. (2) Ashley Leathers and Halie Ramsey make connections in understanding the Spanish language. (3) The world of chemistry! Savanna Nunemaker and Bethany Smith review atomic theory, properties of matter, and types of chemical bonds to balance chemical equations. (4) While reading "The Minister's Black Veil," Micah Ward-Johnson, McKenna Collins, Lexi Lewis, and other students in Ms. Huffman's junior English class cite textual evidence to show how Mr. Hooper's veil benefits him in his role as a clergyman. (5 & 6) Will Williamson, Selena Coleman, and Mason Hess are on their way to creating paper-mache masterpieces. (7) On Tuesday, Feb. 3, students in Ms. Cooley's political science and AP Government classes toured the Kentucky State Capitol. They were also introduced during the House of Representatives session. Student Survival Guide

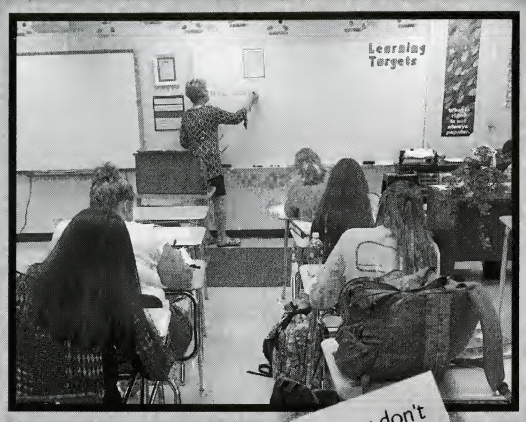
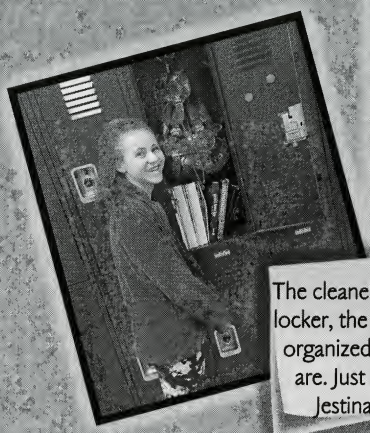
Yes, it can be overwhelming at times, but it doesn't have to be. Your school experience will be much more enjoyable if you begin each day prepared to work hard and challenge yourself.

Avoid procrastinating, have fun with friends, write down your assignments and due dates, get involved, learn effective study skills, and follow the rules!

Remember, it's your choice to make the best of your years in school.

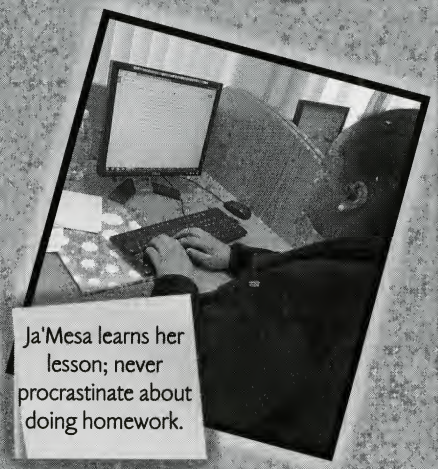


If you don't understand the material, ask questions.

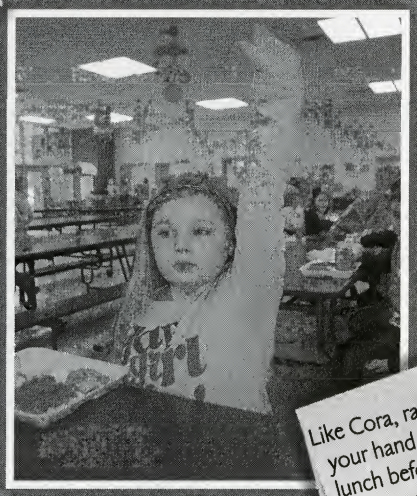


The cleaner your locker, the more organized you are. Just ask Jestina.

Asmaa and Madison show us their backpacks and school supplies!

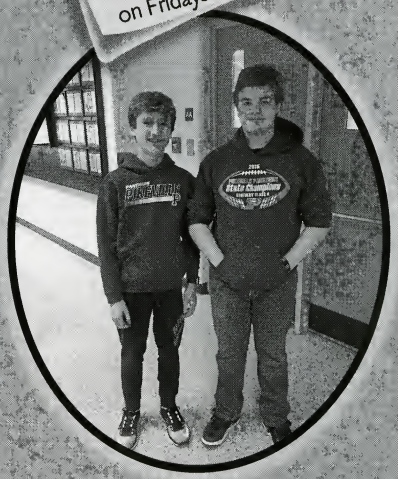


Ja'Mesa learns her lesson; never procrastinate about doing homework.

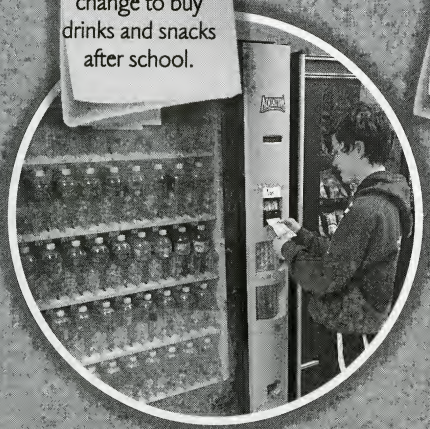


Like Cora, raise your hand at lunch before getting up.

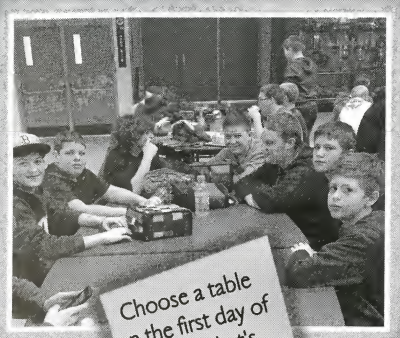
Be a proud Panther like Colin and John. Wear maroon on Fridays.



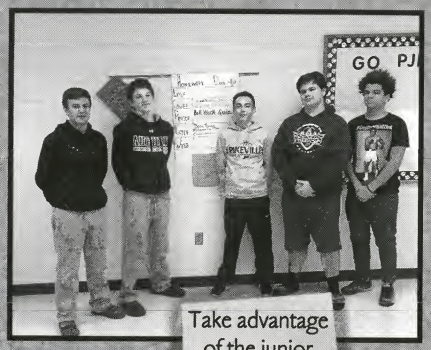
Justin brings change to buy drinks and snacks after school.



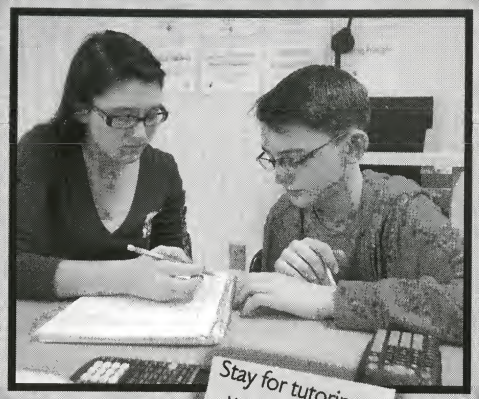
DON'T be like MaKayla, Russell, and Logan and skip class.



Choose a table on the first day of school; that's where you'll sit the rest of the year.

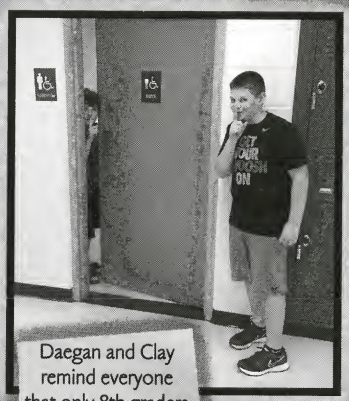


Take advantage of the junior high homework sheets.



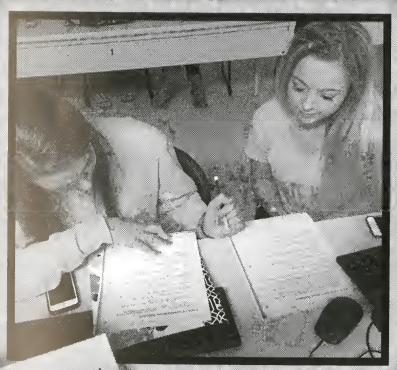
Stay for tutoring if you need extra help. Courtney works with Adam on math.

Join clubs and get involved.



Daegan and Clay remind everyone that only 8th graders are allowed to use the bathrooms in their wing.

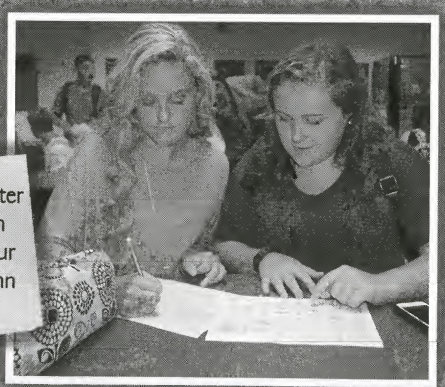
Too many tardies and you will get a detention.



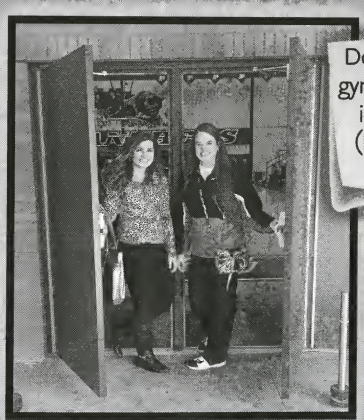
Get with a friend to study for exams. (Lauren and Taylor)

Good friends will make school so much more enjoyable.

Elementary students should stay in a line when changing classes.



Reveiw the master schedule when deciding on your classes. (Autumn and Bailey)

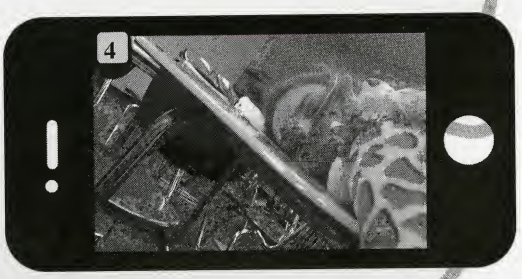


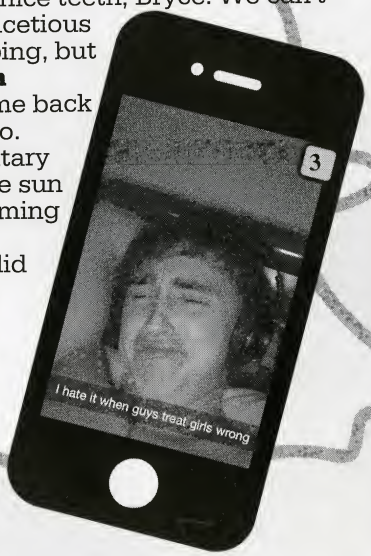
Do not exit the gym doors while in P.E.class. (Hannah and Sarah)

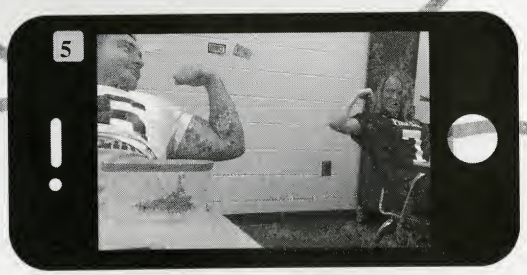
Put Me On Your Story

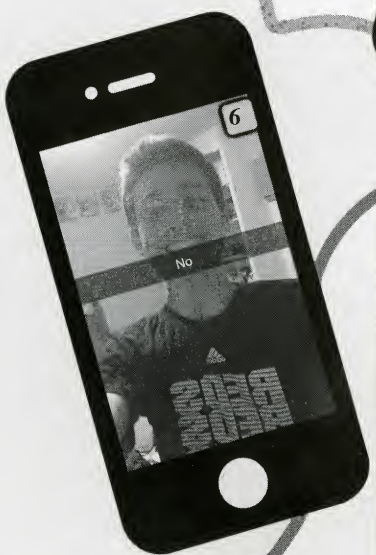
Snapchat has become one of the most popular ways of communicating, next to texting. From filters to stories, you can show off your creativity and share with your friends. Check out how your friends have used their Snapchat abilities.

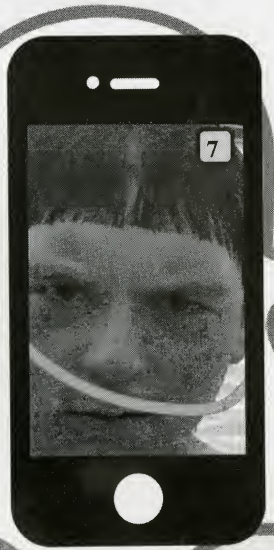
1) Showing off their Panther Spirit, **Logan Tackett**, **Keegan Williams**, and **Logan Newsome** show excitement for the first basketball game of the season. 2) Someone is showing off his luscious locks. **Blake Charles** just might have softer hair than you. 3) Tell us how you really feel, Clay. **Clay Slone** looks pretty emotional in this snap, or is he just trying to flex? 4) **Kennedy Keeys** may have taken pajama day a little too seriously as she catches some zzzs in her giraffe onzie. 5) No Christen, just because you have on the jersey, doesn't actually mean you play football. **Christen Ousley** and **Austin Salyer** both flex for the camera to see who is the most "swole." 6) Those are some nice teeth, Bryce. We can't tell if **Bryce Williams** is being facetious or serious to whoever he's snapping, but that's a pretty smile. 7) **Cameron Wright** went for a swim and came back with... well... a very unique hairdo. 8) "We'll all float on!" The elementary cross country team had fun in the sun on their float during the homecoming parade. 9) **Keely Coleman,** I mustache you a question. How did you grow that? Oh, that's just in the window at Orange Leaf!



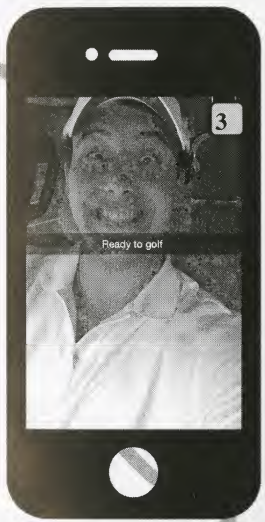


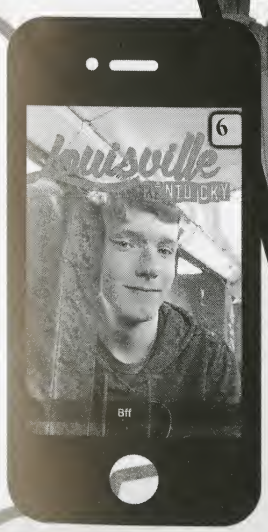


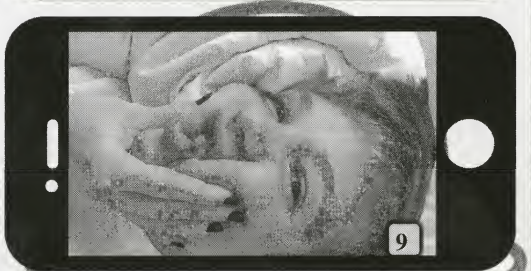


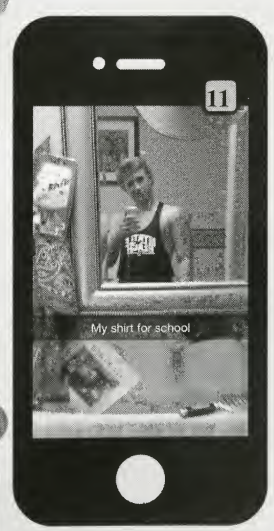


1) New filters or new faces? It's just a filter. **Lexi Lewis** definitely has her scare face on with this new filter. 2) Filter the rainbow, taste the rainbow. **Andrew McNamee** seems to take this seriously. 3) **Tanner Roop** is excited to get on the green, it seems. Too bad he double-bogeyed on every hole and busted a window or two. 4) Hope she's not allergic to bees, because that's a swarm! **Star Manning** inserts emojis to make it look like she's being attacked by a teem of bees. 5) Hubba-Bubba! **Mykah Fannin** caught the perfect moment when **Ariel Ward** blew a bubble bigger than her head, and **Kayce Tackett** cracked up at it. 6) **Micheal Gaunt** looks very content with whoever took this snap, calling him their "bff." Or maybe he was just happy to finally get off the bus and be in Louisville. 7) Same trip, different snap. **Kerrigan McPeek** looks a little slap happy. 8) These happy faces,we're sure, didn't last very long. Soon after **Tausha Justice, Houston Manning, Aliyah Dotson, Kate Musgrave,** and **Sidney Ratliff** walked through a haunted house and, more than likely, switched to scream faces. (9) Squishy face! **Isaac McNamee's** face is squished by his sister, and he doesn't look too happy. (10) **Olivia Davis** tries to take a pretty picture, but **Marlee Coleman** and **Christy Johnson** ruin it by eating bananas and throwing the peels. (11) No, you cannot wear that to school! It doesn't meet the dress code! **Mikey McDonald** says he'll wear this tank anyway to show off his muscles.







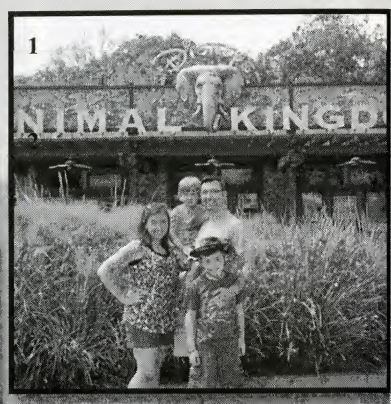


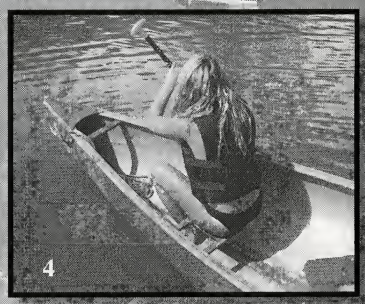
Take it Outside!

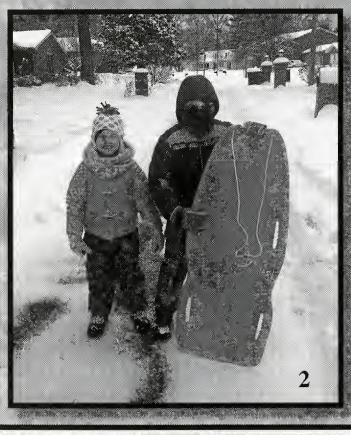
Whether you're heading to a national park, hiking the trails near home, or sledding down a mountain of snow, spending time outdoors is important for everyone.

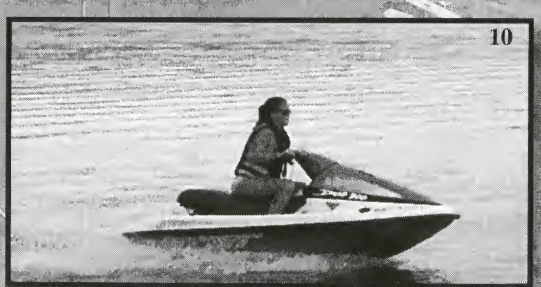
Most students and their families are looking for a pick-me-up or a mental or physical boost, and the activities that nature provides will make everyone feel energized and alive!

1) **Brandon** and **Sarah Blackburn,** along with their children **Liam** and **Ian,** are ready to encounter exotic animals and exciting adventures at Disney's Animal Kingdon park. 2) Yippee, it's a snow day! **Paislee** and **Brady Coleman** enjoy sledding during the first big snow. 3) Woah, watch out! **Lexie Damron** and her dad get a little too close to the tide while sight seeing in Pigeon Forge, Tennessee. 4) **Alivia Gearheart** is row, row, rowing her boat gently down Norris Lake in Tennessee. 5) You don't need a license to ride around in a golf cart, do you? **Isabella Damron** and **Jared Damron** enjoy a sunny day, playing it cool while cruisin' through the neighborhood. 6) **Christy Hunter** and **Cheyenne Phillips** take on horse back riding at Dream Stables at Bob Amos Park. 7) Members of the football team gather at Salyer Farm in Johnson County. **Cody Charles** and **AJ Vanderbeck** beat the heat with their cool poses. 8) Supper is on the table! **Evan Rhodes** caught a big one while fishing at the Breaks. 9) Any day of hunting is a good day, according to **Jackson Hensley,** proud of his pheasants. 10) All good pictures require a photobomb. **Elle Johns** and **Abby Johns** have a blast in the snow, unaware that Blaze, their family dog, made it in the picture, too.









1) Following a ride to the mountain top, **Carmen Hall** and **Quinn Helfen** enjoy the sights at Pigeon Forge during a youth group trip with their church. 2) **Josh Hughes** is thrilled with his catch on a fishing trip with his famly. 3) Nothing beats a relaxing day out on Elk Run Golf Course. **Isaac Lucas**, **Tyler Hall**, and **Chatlin Jarrell,** suave and debonair, hone their skills on the 18 hole course. 4) Sixteen inches of snow can't stop these girls! **Emily Crum**, **Sarah Morton**, and **Tori Gayheart** are together for a day of fun in the snow. 5) Floating through the Cut Through, **Angel Estep** and **Austin Ratliff** enjoy the view from the Big Sandy River. 6) Haven't you heard those hills have eyes? **Kaine Goble** enjoys the solitude of the mountain trails. 7) Snow for several **eighth grade boys** means the second annual Pink Slip Nation Snow Bowl Championship. **Cade Slater** was named the MVP. 8) **Maddie Willard,** visiting Niagra Falls, evidently didn't listen when she heard TLC say not to chase waterfalls. 9) Senior year has **Makayla Hess** and **Hannah Layne** feeling on top of the world. 10) Sea-Doo, see you. **Jewel Booher** hits Cherokee Lake for a refreshing cool off.

On, On Maroon And White.....

School spirit is the most defining aspect of Pikeville culture. Sure, students share pride in their classes, clubs, and other activities, but nothing demonstrates school spirit quite like the energy on gameday.

This spirit is not something easily defined. It consists of so many things..the feeling you get as you step into the stadium, the gymnasium or on the field for a game...proudly wearing the maroon and white...joining a club....even looking forward to school half way through summer vacation.

Yes, Maroon Pride is definitely univeral at Pikeville.

Celebrating 100 Years

The Class of 2016 made history Sunday, May 29, becoming the 100th graduating class of Pikeville High School.

Sprinkles of nervousness with a side of excitement met eighty-six students as they entered Alumni Auditorium. Dressed in maroon gowns with a white hood embroidered with the school crest, they made their way to the stage.

It was a bittersweet moment when Superintendent Jerry Green pronouced them graduates of PHS.

The Academic Team holds spots for only the top of the top of intelligence. Members continuously work hard during the school year, not only in the classroom but after school in practice sessions as well.

In March, the team participated in the 31st Annual Governor's Cup Competition in Louisville. The Quick Recall team advanced to the Sweet 16. In testing, students turned in impressive scores but were unable to crack the top 10.

"This year's team was the biggest in the past eight years and shows much promise for years to come," Coach Tom Asbury said.

Junior/Senior Powder Puff Game

Seniors

The junior girls had one goal at the beginning of the year and that was to unseat the seniors in the annual powderpuff game, a game traditionally won by the seniors.

On Sunday, Oct. 11 both teams came out strong. However, early touchdowns by juniors Rachael Blackburn, Emily Hughes, and Savanna Nunemaker put the game away early.

Senior quarterback Savannah Webb found Kayce Tackett for a late TD but it didn't matter as the juniors claimed their first win in many years.

Return To Dominance

It was a dream season. The Maroon Brothers went 13-2 into tournament play. The offense averaged 38.4 points per game, while the defense only gave up 16 points per game.

The Panthers didn't have any trouble on the road against Prestonsburg the first game of the season as they cruised to a 43-6 win. On the opening kick-off Chatlin Jarrell returned the ball for 99 yards.

Against Letcher Central in the Pike County Bowl, they cruised to another big win, 49-12. Next, the team eased by Sheldon Clark, 41-6. Wyatt Battaile got his first big start at quarterback and went five-for-six passing with 137 years and a TD throw.

The Panthers opened District play against South Floyd and had no trouble picking up a win, 68-14. The following week, they won their second district game against Hazard, 56-28.

2016 National Champions!

The varsity cheerleaders had a lot to cheer about! Their accomplishments before traveling to Orlando, Florida, in February included first place at 15th Region KHSAA and second place at Bluegrass Region, Bluegrass Challenge, and KHSAA State.

The routine the girls performed in the Small Varsity Division at Nationals in Florida was a tumble heavy routine. "This year the strength of our team was our tumbling," Coach Kandice Branham said. "So we put together a tumble and stunt heavy routine. We wanted to focus on those aspects because in judging that is what they usually look for."

When first place was announced in their division, "Pikeville High School" echoed throughout the Hp Field House. Needless to say, the girls and their coach stormed the stage.

"This is really exciting for us," Kandice explained, "because it's out first national championship since 2002."

A Season to Celebrate

The Lady Panthers celebrated a great season. Senior Alexxa Gearheart and freshman Leslie Stewart led the team in scoring, averaging 12 points per game.

Leslie also lead the Panthers in shooting percentage and finished in the top 20 in the State, shooting 65%. She also lead the team in rebounding, averaging ten per game.

Rachael Blackburn was the team secret weapon on defense; she was always given the task of guarding the opposing team's best player.

Savanna Nunemaker led the team in assists and Alivia Gearheart led in steals.

Leslie, Alexxa, and Savanna were named to the All District Team and Alexxa made the 15th Regiona All Tournament Team.

Savanna scored her 1000th career point against Allen Central.

Taking it to the Hoop!

What a year! After beginning the season 7-11, the team won ten of the last thirteen games to finish regular season with a 17-14 record and grab the number one seed in the 59th District.

One of their best team performances came against Johnson Central in the last game of the season on Feb. 19....a 97-93 victory. They accomplished this despite several serious injuries, as well as five of the top six players getting a late start coming out of football the second week in December.

Several individual player moments included Wyatt Battaile's 36 points in the win over Shelby Valley on Feb. 2 and Clay Slone's 28 points in the 75-72 win at Shelby Valley on Feb. 11. Clay made six three-point shots despite entering the game with only seven total three-point field goals on the season.

Senior guard Blaine May became the 13th member of the 1,000 Point Club during the Pikeville vs. South Floyd game on Jan. 8. He ended the year with a total of 1,247 points. Blaine will continue his basketball career at Asbury College.

Keep Your Head High and Your Toes Pointed

The varsity dance team, coached by Shana Webb and Chelsea Taylor, pushed their way through many obstacles to end with a great season.

In December, the girls brought home an honorable mention from Jamfest in Lexington. They placed first at Region in Jazz and Pom and placed third in Pom and sixth in Jazz at State.

OHANA Means Family

The Varsity softball team had another successful season. They finished with an overall record of 26-10 and recorded the most wins since 2012.

The team set several goals at the beginning of the season and worked hard to accomplish those goals. They finished the District regular season undefeated at 4-0, won the 59th District Championship (first since 2013), won the 15th Region All "A" Tournament, won the Bath County Invitational, and scored a school record 330 runs.

The Lady Panthers fell short of their ultimate goal of winning the 15th Regional Tournament, falling to Regional favorite Magoffin County 10-8 in the first round of play.

"As the season progressed, our team got better and better," Coach Thomas said. "The girls were truly a pleasure to coach, and we reached several of our goals. With nine starters returning and the desire to win the Regional tournament, next season should be just as exciting."

Eighth Straight District Crown

Pikeville used a quick start against Shelby Valley to run away with the 59th District Tournament Championship, beating the Wildcats 16-1. Kevin Justice, Mikey McDonald, and Clay Slone were named to the All-Tournament team. Peyton Hamilton was named MVP.

In the opening round of the 15th Region Tournament, the Panthers came out aggressive early against Sheldon Clark.

Cade Byers hit a leadoff double to get things going. Mikey McDonald reached on an error that allowed Byers to score the game's first run. Andrew McNamee reached on an error as well. Then Tanner Roop blasted a double to score.

In the bottom of the second, Nate Brown drew a leadoff walk. Peyton Hamilton followed by hitting a single. McDonald drove home a run on a ground out and McNamee followed with an RBI single.

The momentum continued as Tanner Thompson hit an RBI double. The Panthers knocked off the Cardinals 8-4 to advance to the semifinals.

On Tuesday, May 31, Pikeville met up with Lawrence County. Despite a close, hard-fought game, the Panthers fell short, 3-1. They ended the season with an impressive 24-12 record.

Raising a Racket

The season began at Logan High School and finished sending a record number of boys to the State Singles and Doubles Tennis Championship.

The girls were young with only one senior, Katie Stone, and one other returning player, Madhu Ammisetty. The girls were unable to win a dual match but fought hard and were close in several matches.

The boys were experienced with three seniors and two others returning from last year. Several new players contributed to their success. In dual matches they were 11-3.

In the Region Team Tournament, the boys lost to the eventual Region Champion, Belfry. In Doubles, Denton and Kenton reached the finals, while Cameron and McKinley made the semi-finals.

In Singles, Walker reached the semi-finals. Five players advanced to State (one in singles and two in doubles) which is the most in school history.

In the State Tournament, Denton and Kenton defeated a doubles team from Corbin in the first round in three sets and then lost to a strong #5 seed.

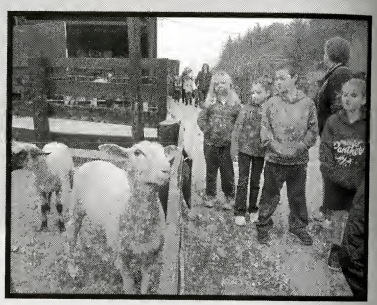
White Oak Pumpkin Patch Field Trip

Resting on the soil of a 130-year-old farm, White Oak Pumpkin Patch in West Liberty provided the perfect opportunity for a field trip for third grade students. The farm offers over 60 varieties of pumpkins and squash, Indian corn, straw, foddershocks, and hay.

Students took a hay ride to the pumpkin patch to enjoy the petting zoo and play area. They also learned about the life-cycle of the pumpkins and interesting facts pertaining to the animals raised on the farm.



Planting the Seeds of Change

The farm-to-school movement has exploded across the country, reaching millions of students in all 50 states.

From school gardens and farm field trips to local food on cafeteria trays, farm-to-school practices help children learn about where food comes from and then make healthier choices.

This movement was introduced to PHS two years ago by Gifted & Talented teacher Traci Tackett.

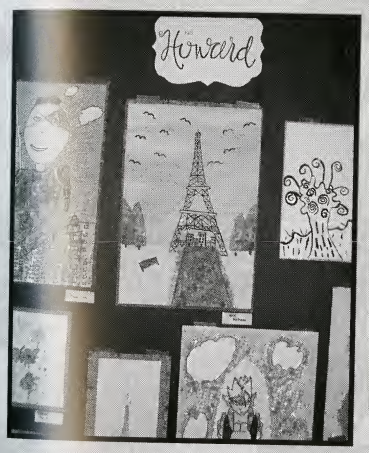
A new garden with flowers was initiated this year to beautify the area and attract pollinators. The area is highlighted by a huge mural of colorful flowers painted on the wall by Paula Pugh and her art classes.

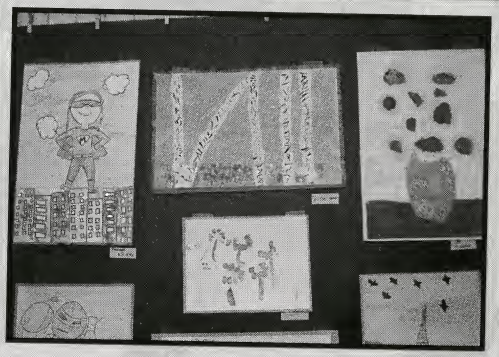
An Evening of the Arts

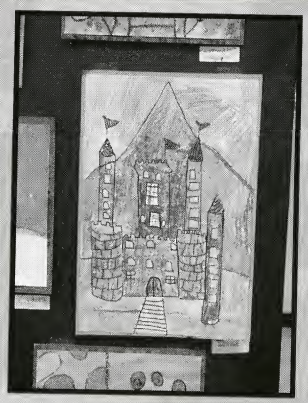
The elementary gymnasium was transformed into a very special art gallery on Sunday, April 17.

Selected works from every student at the school were on display. Pieces included collages and weaving, original art, and students' interpretations of classic paintings.

Art teacher Paula Pugh was impressed with her students' creativity and enthusiasm toward each piece they worked on.







Capturing the Voice of Historical Figures

For the second year, sixth graders spent several weeks preparing for a Living Wax Museum project, with the culminating activity featuring each student exhibiting his/her work on Nov. 18-19.

Under the guidance of Jatanna Hall, students chose a famous person, wrote a biography on him/her and, using the most important elements of the biography, wrote a speech and delivered it, while dressed as that person, to guests that visited the museum.

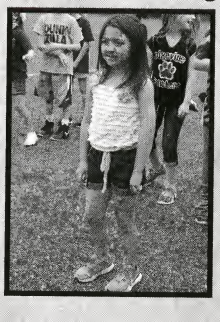
Ride 'em Cowboy!

Taken back in time to the days of the Wild West, second grade students explored the West, its people, way of life, and culture. Through various reading assignments and hands-on activities, they came away with a deeper appreciation of the people and the time period.

The culminating event was a day at the mini-park engaging in activities mimiking those of the "Wild, Wild West."



Let's Hear it for the Panthers!

Teaching cheer skills and the foundations needed for the next level of cheerleading was the focus of coaches Laura Shanklin's and Misty Justice's instruction.

As the girls learned basic cheer motions and jumps, along with guidance in tumbling, the squad executed an amazing performance at the annual Mountain Classic.

Let's Dance!

The elementary dance team definitely let their light shine throughout the season! Performing their Descendants Mix from the newest Disney movie during half-time at high school basketball games gave the girls awesome practices to compete and place.

In October, the girls competed in Hallofest at the MAC. In Feburary, the girls competed in a Cheer/Dance Elite competition and brought home two first place trophies.

Writing In Motion

Literary Guild (from left) Noah Jarrell, Cameron Shearer, Jackson Robinson, Tiffany Copley, Ellan Allen, Emily Stiltner

Literary Guild is a writing club for students in grades 4, 5 and 6. They meet once a week to write and share their own stories, as well as discuss their favorite authors.

Students enjoy Literary Guild because it gives them a chance to relax with each other as they share the art of writing. Over the course of a year it is easy to see the depth of their thinking and wit of their humor develop. Within their writing, students share humor and enfluence each other.
